ABOUT CFEC

CRC Financial Education Centre (CFEC) is the training arm of CRC Credit Bureau Limited. At CFEC, we understand the required competence for workforce performance improvement and provide capacity development support to financial and non-financial institutions. Our collaboration with international partners has expanded the usage and acceptability of our training, enabling access to international content.

For over ten years, our wealth of knowledge and experience have enabled us provide training for partners across all sectors of the Nigeria economy and other select countries, enhancing workforce motivation, productivity and return on investment for stakeholders.

We deliver diverse courses to expand the knowledge of participants in areas such as credit risk, customer service, data analytics, debt recovery, portfolio management, relationship management and enterprise risk and resilience management among others.

Our training methodology ranges from instructor-led, case studies, experiential learning and role-play among others. We deliver in-house programmes carefully curated to cater to the needs of clients for business proficiency at the client's venue of choice, while open enrolment trainings are delivered onsite at our facility or virtually.

Expert and experienced facilitators at CFEC are versatile in all areas of our focus delivering valuable impact on training programmes, while testimonials from noble clients affirm our valuable contributions to growth and impact of our offerings. Training programmes are delivered 'in-house' at your location or any venue of your choice or as open enrolment at our training facility.

ENROL WITH US TODAY!

At CRC Financial Education Centre (CFEC), all courses are offered using expert facilitators with case studies to ensure in-depth knowledge and understanding of the courses. We apply global insights and best practices in our training services.

CFEC was accredited as an Education Training Service Provider (ETSP) on 2nd July 2021, by The Chartered Institute of Bankers of Nigeria (CIBN) for the Banking and Finance Industry. This is in line with The Central Bank of Nigeria (CBN) competency Framework for the Nigerian Banking Industry towards the part of entrenching a sequenced competency development programme that will build capacity for the stability of the financial system.

For every course enrolled and successfully completed with us, there is a certificate awarded to participants.
