SPECIAL CREDIT MONITORING OFFERS FROM CRC ON BLACK FRIDAY!

We are drawing closer to that time of the year when customers are rewarded with special offers on prices of various products and services. Over the past few years, despite its earlier popularity across borders, Black Friday has become a household name in Nigeria. A day many consumers look forward to paying a fraction of the original prices of products and services they require. This year, Black Friday falls on the 24th of November 2017.

Once again, CRC Credit Bureau Limited shall be offering each of its credit monitoring products for N500.00 (Five Hundred Naira) exclusive of VAT from the 24th to 27th November 2017.

What are these credit monitoring products and how are they beneficial to you?

Keeping an accurate credit history is very important to your business and personal dealings. It increases access to loans and advances as the banks or credit grantors can see that payments are made when due. Retail products can be purchased and paid for by installments. There is no limit to the products, services, business expansion dreams and employment opportunities you can enjoy with a good credit history.

By subscribing to **CRC Credit Monitors**, individuals and organizations proactively track credit dealings across all sectors of the Nigerian economy, financial and non-financial, faster and more efficiently giving you access to what lenders see about you at the credit bureau.

Review and understand the information lenders see in your credit report to improve your chances of getting a loan with **CRC Self Enquiry!**

Monthly statements going forward for one year to keep you updated? For individuals subscribe to **CRC I-CONplus!**

Corporate companies **CRC CONplus** helps balance your books!
